Re:

Exemption from Compliance with Children's Television & Closed Captioning Programming

Laws – 4<sup>th</sup> Quarter (January 1, 2017 to March 31, 2017)

Dear Ms. Browne:

We are writing in response to your previous request to certify compliance from Capital District Regional Off-Track Betting Corporation (Capital OTB) with the Children's Television Act of 1990 and the closed captioning requirements of the Telecommunications Act of 1996 and the Federal Communications Commission rules implementing these Acts.

**Background** 

Capital OTB Network can be seen in the Capital Region on Time Warner's Cable Channel 8.2/1250. The network displays live horseracing and race replays as well as horseracing related information and programming. This programming can be seen virtually 24 hours a day, seven days per week. The Capital OTB Network is exempt from the requirements of the Children's Television Act of 1990 and the Closed-Captioning requirements of the Telecommunications Act of 1996.

#### Exemption from requirements of the Children's Television Act of 1990

On April 9, 2007 a representative of the Federal Communications Commission confirmed to a Capital OTB representative that cable networks are not required to air children's programming. Therefore Capital OTB is exempt from airing programming in response to the Children's Television Act of 1990.

Exemption from Closed-Captioning requirements of the Telecommunications Act of 1996 Capital OTB also maintains that we are exempt from providing closed-captioning per Section 79.1(d) (12) of the Federal Communications Commission's rules of Exemptions from Closed Captioning, which states the following:

Channels producing revenues of under \$3,000,000. No video programming provider shall be required to expend any money to caption any channel of video programming producing annual gross revenues of less than \$3,000,000 during the previous calendar year other than the obligation to pass through video programming already captioned when received pursuant to paragraph (c) of this section.

March 28, 2017 Page 2

Capital OTB defines gross revenue as monies generated from commercial advertisements appearing on Capital OTB Network. Under this enclosed definition, Capital OTB Network produces annual gross revenues well under \$3,000,000. Based upon the above rule and criteria the Capital OTB TV Network is exempt from providing Closed Captioning.

Please accept this letter as Capital OTB Network's exemption from the Children's Television Act of 1990 and the closed captioning requirements of the Telecommunications Act of 1996 for the 4<sup>th</sup> Quarter (October 1, 2016 – December 31, 2016). A similar letter of exemption will be filed upon request for each quarter of the calendar year.

#### Children's Television Act Certification

Dear Affiliate:

This letter is intended to assist you in satisfying your obligations under the Children's Television Act of 1990 (the "CTA") and the FCC regulations relating thereto in connection with your carriage of our video programming services (the "Discovery Networks").

The attached schedule lists the Discovery Networks that aired children's programs (as defined in the CTA) last quarter and identifies the children's programs aired on each such network. The schedule excludes all networks distributed by Discovery that did not air children's programs last quarter (Discovery Channel, TLC, Animal Planet, Investigation Discovery, Destination America, Science, American Heroes Channel (formerly Military Channel), Discovery En Español, Discovery Life Channel (formerly Discovery Fit and Health) and Velocity).

Discovery Communications, LLC certifies that, as standard practice, the children's programs identified on the attached schedule are formatted so that the total commercial time (including local ad avails) is no more than 10.5 minutes per hour on weekends and 12 minutes per hour on weekdays. This is in compliance with the CTA and the rules and regulations of the FCC.

We trust that this enables you to satisfy your obligations under the CTA and its regulations in connection with your carriage of the Discovery Networks. Please forward this letter (or copies) to any other appropriate individual(s) in your organization. As always, we appreciate your support.

Sincerely,

DISCOVERY COMMUNICATIONS, LLC
